

THE SENATE

OF THE

COMMONWEALTH OF KENTUCKY

To All To Whom These Presents Shall Come, Greetings:

Know ye that the

South Oldham Lions Club

are recognized and honored upon the 60th Anniversary Celebration of this extraordinary civic organization. Over the past six decades, the South Oldham Lions Club has contributed immeasurably to the well-being of the Oldham County community and its citizens through countless worthwhile endeavors, including helping to build the gym at Crestwood School; assisting in the establishment of the South Oldham Fire Department and then raising funds for a rescue squad; playing a pivotal role in the creation of the Oldham County Water District; raising money to build a sidewalk from Crestwood to Pewee Valley; and, joining with Lions Clubs from around the world to distribute eyeglasses to citizens in developing countries and to elderly and impoverished citizens here in the United States. Whereas, the strength of our communities depends, in great measure, on citizens who are willing to give of those personal offerings that will make a positive difference in the lives of others, the respected members of the South Oldham Lions Club are afforded sincere gratitude for the many lasting contributions they have made while laboring in stewardship to the betterment of this community; are extended best wishes for success and good fortune as each continues to work with great dedication and integrity towards the common good; and,

on the motion of

Senator Ernie Harris

is hereby deemed by this honorable body most worthy of its recognition.
